	7:00 pm – 9:30 pm	From Paper to Pixels: #InnovationTZ in publishing	Moto writers circle (mkusanyiko wa waandishi)	Makuti Dar	Open Public Event	Moto writers circle (mkusanyiko wa waandishi) will be hosting a community forum on digital innovations in publishing. New technologies including blogs, social media, and mobile, allow written content to be shared more quickly, cheaper, and to a wider audience than traditional print. We'll be discussing how these tools can be used effectively, and what specific benefits they have in the context of Tanzania. Traditional publishing houses support writers in ways beyond the distribution of their work, from editorial to design and layout. We will also be discussing whether new technologies lose some of this process and how it can be recaptured to ensure high quality content and support the development of authors.
