

Our fleet

Since our inaugural flight in 1992, ZanAir has continued to establish a quality reputation, serving esteemed clientele. ZanAir is an acknowledged expert within Tanzania serving all destinations, including remote unpaved bush locations.

We offer scheduled flights to and from ZANZIBAR, DAR ES SALAAM, ARUSHA (ARK), PEMBA, SELOUS and SAADANI, with Zanzibar as the hub of our operation and we are offering quality air charter services for both the corporate and tourism market. Our current fleet consists of **5 Cessna planes** with comfortable quality seating; customized cabin configurations are available on request.
